

Meeting	Recreation & Leisure
Date	Wednesday 18 th September
Report Title	24. 046 Review of Summer events
Author:	Lucy, Clerk

Summer program of events

Summer HAF program - 2 activity days were held at Jubilee playing fields. The main issue is with traffic management and car parking. Councillor support will need to be a priority for future events. Withstanding this, the events were well attended and well received.

Bat walk – the bat walk proved popular again with requests to attend exceeding the number of spaces available. Many thanks to SVP and Cllr Fulcher.

Bioblitz – the bioblitz at Rackleaze was also well attended and well received. Thanks again to SVP and Cllr Fulcher.

Council are asked to consider community events and budgets for next year. Please note: £2,000 was budgeted for 2023/24 but Projects Officer secured £2,000 from local business sponsorship – Kerry Foods as well as SDC funding.
