Have Your Say on a Neighbourhood Development Plan for Cam

The future for Cam Parish will bring more houses and people and with them challenges and concerns – but also opportunities. Change can be positive when those in the community can play their part in shaping it and this is what the Cam Neighbourhood Development Plan is all about.

A steering group of local volunteers and Parish Councillors have been working on the Neighbourhood Plan for five years and the draft has now reached a formal (Regulation 14) consultation stage. Many of you have been involved along the way and now we want to hear your thoughts on the draft document.

Please take a look at the plan between **17th June and 29th July** if you live, work or run a business in Cam and give us any comments – good and bad! We need your feedback so we can complete the Plan and submit it to the examiner at Stroud District Council.
