Overview of Regulation 14 comments

Appendix 12 Cam Parish Neighbourhood Plan Local Green Space Report

Local Green Space – Regulation 14 Comments Overview

A total of 79 responses received during Regulation 14 consultation were comments specifically related to the proposed Local Green Spaces and / or the draft Local Green Space Report (see Appendix 13 and the separate Consultation Statement).

The majority of comments from the community are given in support of all of the proposed Local Green Space. Some landowners have objected strongly to the proposed designation of their land.

Overview of responses for each space below:

- ✓✓ Considered to strongly fit criteria
- ✓ Considered to fit criteria

Proposed Local Green Space	In reasonable proximity to community it serves	Local in character and not an extensive tract of land	Landowner comment	Other professional comment (where relevant)	Demonstrably special to the community? <i>Community comment specific to the space</i>	Overall assessment
