PM = Open Day at Cam PC with staff, councillors and Brian Tipper present

The Cam/Everlands Sports Club prospective purchase has been a major focus for staff and councillors alike this month and there has been the usual Stroud District Council meetings to monitor. Staff issues continue to be to the forefront and legal consultations have begun.

I have also had several additional meetings with office staff and fellow councillors.

I now prepare to hand over the baton to the next Chair of Cam PC and wish the new team and all our staff the very best for the coming years.
