Author:	Lucy, Clerk

Hello from sunny Corfu!

Most updates are either covered by the agenda or 24.049 matters arising from the minutes but there are a few extra things to let you know about.

#### Annual Parish Assembly

This was held as planned on 30<sup>th</sup> May with a reasonable turn out from members of the public. Many thanks to those cllr who came along. There was some positive engagement with the community who challenged us over some topics – mainly traffic issues through High Street and along Chapel Street.

The Clifton Community Award was presented to Eric Torrington for his dedication and commitment to litter picking, raising awareness and campaigning for cleaning streets.

#### Beacon lighting

The beacon lighting for D-Day was a great success. Many thanks to all of those who made it up Cam Peak. It was a really lovely evening.

#### Staffing update

A staffing committee will be called on receipt of the Occupational Health assessment report.

#### IT Audit

Clerk has a meeting booked in with a company to review our meeting room and look at conference facilities. This will include adding a larger screen to replace the small second monitor and microphones to be able to host zoom/ teams calls.

#### Tommy soldiers

Tommy soldiers have arrived. Clerk will meet with Cllr Temlett and handyman w/c 8<sup>th</sup> July to get them suitably installed.
