Cllr Morton declared an interest in the decision notices relating to Hicks Avenue.

**PH 23.177 To receive any questions, statements or submissions from members of the public in attendance**

MoP confirmed that the tree preservation order for the trees at Upthorpe has been granted.

MoPs request for 30mph speed limit signs have been refused and we have to rely on drivers knowing the street light rule.

MoP raised an issue with public using the field at the back of her house as a PROW. Committee felt that the best course of action is to contact the PSCO, PROW officer and land owner to look at education with notices and enforcement due to concerns about the safety of sheep. Also notify Animal Welfare at SDC to make them aware. Dog fouling is also an issue but there is a mixed use bin on the other side of the road so it is unlikely that an additional one will be installed.
