Report Title	Jubilee Trophy Cabinet Report
Author:	Deputy Clerk, Beth

Trophies were donated to Jubilee from a MOP- a previous coach from past clubs/winners and thought they would be gratefully received and displayed.

Upon discussion from current club users, it seems they have no want/need to display them, especially in a small building, and doesn't think displaying them there is best and thinks another location could be better.

Trophy cabinet at Jubilee Pavilion

Hi Beth,

I placed a vote in the club WhatsApp to see who would be interested in adding to a display cabinet and have had no response, see attached.

I think it would be nice to have a community awards cabinet somewhere in Cam for groups and individuals to share their successes. You have cricket, football, dance and other groups. Perhaps the main office entrance would be more suitable?

I am not sure the pavilion is best place as it is a small building.

Please add to a future agenda for discussion.

Dennis had enjoyed his teams awards and is now at a stage where he no longer wanted them but felt it was a shame to just discard them. You may find there are other ex coaches in a similar position. Possibly worth a Facebook post on council page?

Kind regards,

Rich

I have since emailed back and asked for any further suggestions on brightening the place up instead of the trophy cabinet.
