Allotment notice boards are cloudy, and any notices on the board are illegible.

The polycarbonate 'glass' needs replacing. The boards were installed in 2016 so are now nearly 10 years old.

Each frame is A1 size and so 9 pieces of polycarbonate are required.

### **Quote 1 – The Parish Notice Board Company**

This is the original company that supplied the notice boards.

The polycarbonate for your two poster cases would be £65 each plus VAT and £30 plus VAT carriage.

Please confirm receipt of this email and let me know if you wish to go ahead.

It is my recommendation the we go with Quote 2 – The cheapest option. All options are for the same product, and therefore no comparisons to be made other than price.
