The Joint Woodlands Management Committee look after Stroud District Council owned woodlands between Cam, Dursley and Uley. Cam Parish Council pay an annual figure of £1,500 as a contribution to costs.

This was paid in July 2025.

Moving forward, I would like to establish a better process, so the committee are not left waiting, or chasing payment.

Clerk proposes that the annual payment of £1,500 is paid on receipt of the annual report for the annual meeting in May.
