

Meeting	Recreation & Leisure
Date	Wednesday 17 th September
Report Title	Jubilee Adult Gym Equipment Replacement Report
Author:	Deputy Clerk, Beth

- In May 2025 R&L Committee agreed to:

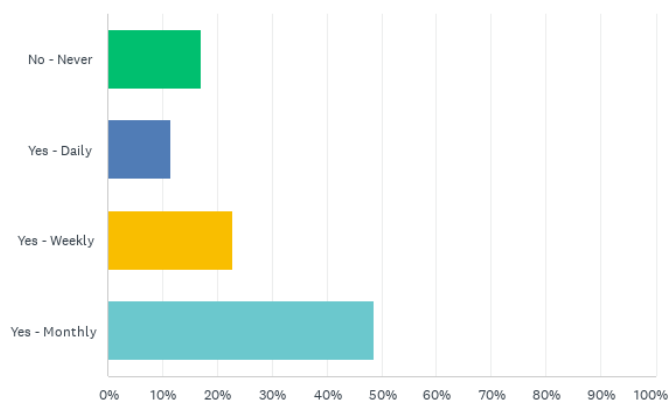

Play Areas

A) To NOTE inspections and AGREE actions

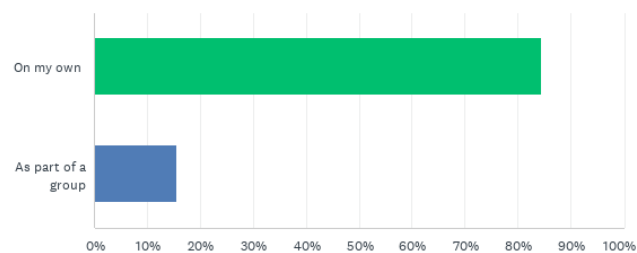

The outdoor gym equipment is corroding in places due to the paint starting to flake and rust. Committee discussed the merits of repair versus replacement. Clerk to investigate costs and replacement schedule.

- Deputy met with 5 different play providers on site for quotes (ESP Play, Pentagon, Sovereign, Kompan and D Howse) and discussed refurbishment options as well as replacement. The original 2nd stage installation of the equipment around the outside of the field will remain as is..there is significantly less damage/corrosion and there will be no more added play value by replacement.
- Survey has been made to gather community feedback.

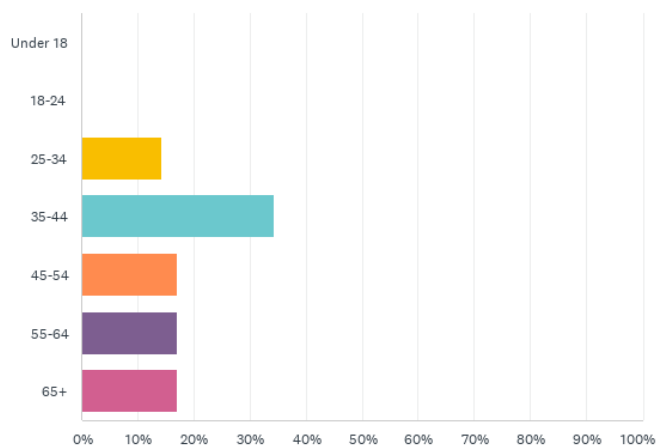

Q1 Are you a user of the outdoor adult gym equipment? if so how often?

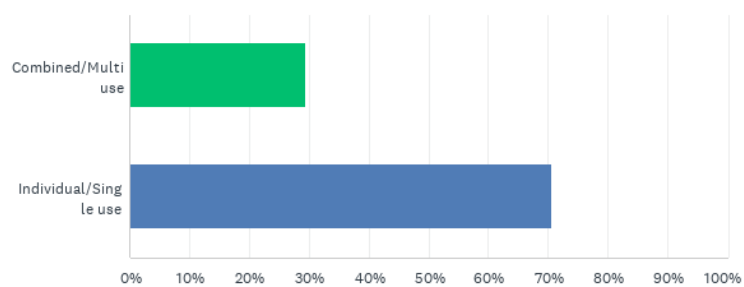

Q2 Do you use the equipment on your own or as part of a group that use it together?

Q3 What is your age range?

Q4 Would you like to see more combined multi use pieces of equipment or individual single use pieces of equipment?

Q5 If you currently do not use the outdoor gym equipment, are there any changes that could be made that would encourage you to use it?

#	RESPONSES	DATE
1	I use the equipment, but rarely. The current location feels a bit secluded and as a single female, I feel vulnerable, hidden from view.	8/16/2025 6:40 PM
2	Monkey bars for pull ups	8/16/2025 7:51 AM
3	Nearer! It's at the far end of the field. Also just too far away from my house.. I don't want to drive to exercise. I just jog from mine instead. It's the outskirts of town. Why don't we have anything central? It got filled with Tesco and houses? Wish we had a central green / park / gym equip there.	8/15/2025 11:24 PM
4	Better equipment that actually would benefit a workout	8/15/2025 9:45 PM
5	My kids use jubilee regularly and I have never seen anyone on the gym equipment. Other than kids who look like they may be unsafe on the adult equipment. I'd rather it was gone but if people use it good on them. Personally I'd not miss it at all and be happy it was removed.	8/15/2025 8:59 PM
6	Better equipment	8/15/2025 8:16 PM
7	None	8/15/2025 8:13 PM
8	Added weights option	8/15/2025 8:12 PM

Q7 Any additional comments

Answered: 14 Skipped: 22

#	RESPONSES	DATE
1	Please keep working on improvements to Jubilee. A spearte closed of dog exercise area to aid training would be fantastic.	8/17/2025 5:53 PM
2	Ideal place down the bottom of the park by the baby park. There's a good space for the equipment. Or by the skate park, in the area by the Spider wall. Please don't remove the equipment for good. It is well used. Thank you,	8/17/2025 8:13 AM
3	Im not convinced the equipment needs replacing, perhaps restoration and replacement of bearings etc. could be considered. Unless you've earmarked s106 or CIL for it. Its a great spot and my family enjoy all of the facilities. Thanks for the work you do as a PC to provide these things.	8/16/2025 6:40 PM
4	It is getting tired and the metal is rusty	8/16/2025 4:35 PM
5	Maybe more general maintenance would be welcomed	8/16/2025 4:31 PM
6	Might be good to have some by the kids play area so grown ups with kids can do it while they play.	8/16/2025 11:13 AM
7	It would be nice to see a group of fitness equipment as well as singular equipment.	8/16/2025 6:53 AM
8	Really like the equipment. Even light exercise on it is better than nothing.	8/15/2025 9:28 PM
9	We walk around jubilee park and love the equipment and fact it's separated out and we use it as a family	8/15/2025 9:24 PM
10	Love it. Please don't remove without replacing. So good for public health.	8/15/2025 8:39 PM
11	A park owned and maintained by the council around the mill fields development.	8/15/2025 8:36 PM
12	The path that circles the field to be wider and flatter	8/15/2025 8:16 PM
13	Maybe some more equipment	8/15/2025 7:57 PM
14	Too many parents allow their very young children to use the present facilities as play equipment. This is particularly irksome when it has been raining as muddy shoe prints are left on the seats and it means that people who want to use the equipment properly are unable to..	8/15/2025 7:31 PM
