

Meeting	Recreation & Leisure
Date	Wednesday 10 th September
Report Title	Play inspection Report
Author:	Deputy Clerk, Beth

Coming into our winter months, a full site inspection will be made at each park to detail a winter schedule of deep cleaning to the moss/algae, small repairs and maintenance.

DHowse inspections have shown failed haunting at Jubilee Playing fields. This is recurring around the first half of the footpath in multiple areas.

Dead tree noted at Jubilee also. See Midland report RL.25.38 G.
