Appendix 1 – Cam Neighbourhood Plan Evidence Base Summary

The Neighbourhood Plan is built upon evidence from two main sources: external (material produced by others such as Stroud District Council) and internal (material that applies specifically to Cam, including material generated by the Neighbourhood Plan Steering Group, Plan consultants Place Studio, Landscape Architects Potterton Associates, and local people).

The evidence base is listed below, with hyperlinks where appropriate and available. Stroud District Local Plan and its evidence base are referenced in the 'General' section. Where specific documents within the Stroud District Local Plan evidence base are particularly relevant to the Neighbourhood Plan, they are referred to in the relevant section.
