

Cam Parish Open Day

Recreation & Leisure	Services & Facilities	Housing	Transport	Local Green Spaces
Include provision in NDP for combined facilities for the elderly & toddlers, building on the benefits shown on channel 4 series, covering nurseries in residential homes Approach Dursley walking festival, to include a walk for the 2019 program covering all the 'Snickets & rights of way' connections of Cam Ensure safe routes for the Uley/Coley greenway including modified traffic calming measures, to allow easy passage for cyclists	Wonderful services, but I don't see how this will cope with the 500 new houses. What a mess – poor Cam Develop a centre of excellence, for an industry, such as clean energy Can we extend the plans to include, creating a care or centre to Cam please	We should be doing more to work on social housing, which is rare at the moment, for example, schools or work etc nothing for the children of the future, more Alternative sites CAM022, CAM005 & CAM 006 are not suitable due to impact on AONB and upper Cam village feel 'Alternative sites' in Cam 022, 005, + 006 ARE NOT SUITABLE FOR DEVELOPMENT Concerned about the impact on traffic along Chapel Street. When Lister road opens and if there is no further infrastructure, schools, shops etc, cars travelling into Cam & Dursley,	We live on Chapel Street – driving and road of traffic is way out of control. We had a car written off last Saturday due to irresponsible driving. People park on double yellows and don't care. Chapel Street, we can't take no more. Rail is great but need more parking. If the destruction and horrendous building places go ahead Traffic calming at Box Road, the proposal is inadequate and not what the majority want. Entry and exit on the proposed Bovis site are dangerous and inadequate. A traffic calming table at the junction of Box Road Avenue would help to slow the traffic down. I would like to see if a motorway junction would create more local industry and jobs to Cam	We need to preserve our green spaces behind Tesco's, people would walk with dogs, take family walks and it's great for the wellbeing. The plans are a horrendous travesty Ensure many trees are covered by preservation orders to maintain the 'breathing spaces' that they create Confirmation of ownership of green spaces, such as the one opposite Cam Mills, to ensure their recreation facilities are preserved. Any new development needs the appropriate amount of green spaces factored in

	HGVs shaking house foundations.		
A cinema would be great!	Where will children go to schools?	We need a diverse range of housing, affordable housing, 2 bed bungalows	New Motorway junction, Better railway services
External Technology industry & education facility	Sewage, roads into new houses, schools, Doctors, Dentists, Police, the traffic could be up to 4000 cars. Bus service, very poor none after 6pm making people use their cars, bad for pollution. Leisure, Dursley pool to small no showers only pool side	Agree with north west development. PS22 & 24 but concerned with the size of Wisloe site. Try to ensure services and facilities are provided in the development and protect land leading up the AONB	No motorway junction, will only encourage more house building Cam id being destroyed. The new housing is devastating we need green spaces for exercise and our mental wellbeing. I want to move, just seeing the horrendous and devastating plans
	What about the schools, doctors? etc		Cars to A38, major problem
Create a museum for cyclists and walkers, café attached, walled gardens for visitors	Who is providing the infrastructure for all these extra houses ie Chemists doctors, schools etc. Also, main roads into Dursley is getting busier. This can only get worse with extra housing.		We do not want 20 houses built next to the railway station, as it's more obvious for car parking for the station
A data centre would be ideal	Extra car parking for Fairmead For doctors surgery, GL11, Supported housing.		New motorway junction
Access to education by offering training courses to become	Will there be extra provision for new schools, surgeries,		Cars, especially big SUVs there are to many, can't cross the road safely aggressive drivers,

work, ie, 'Teams', 'Google Drive' Monday.	leisure amenities, children's activities? How will the roads cope	headlights too bright, not enough facilities to cope with influx of more people
A self-employed venue to offer services such as IT/Phone, Inc, café, offered at low cost!	Concerns about lack of infrastructure when houses are built along Box Road & proposed lands. Strain on schools, doctors and parking	Should heavy traffic be excluded from Everlands, when the new littlecombe site opens thru road opens
Dursley leisure pool etc, too small to cope with volume. Cinema, needed, eating establishments, good quality needed	Under cover shopping centre, plus market indoor market and parking please.	Another motorway junction is needed to cater for the extra housing and stop all the congestion on the A38. Existing roads could not cope as already too busy
A decent shopping cover centre that is under	New schools needed Doctors surgery, Dentists, Shops. What about industry to sustain the population	Desperately need new motorway junction for all the extra housing planned at Cam & Wisloe
Will there be more retail or leisure eg, cinema to go with all new housing?		More control of traffic speed to encourage cycling. Speed limits, 30mph for A4135 & 20 mph on all residential roads
Concern about impact to schools, parking and doctors, May lane currently excellent at providing appointments, so concerns at impact of waiting times. Can Cam cope with all the		The main road through Cam needs to be upgraded before any newer development

traffic during building works?		A Major development such as PS24 must include appropriate shops, medical facilities and schools.

strain on schools, Drs, x parking.

EXTRA CAR PARKING
IN FARM ROAD FOR
DOCTORS / GLL / SUPPORTED
HOUSING

Will there be provision
for new schools, surgeries,
leisure amenities, children's
activities? plans will show
roads cope?

A major development such as PS24 must include appropriate shops, medical facilities and schools

More control on traffic
Speed
to encourage cycling
Speed limits
30mph for A+135
20mph on all residential roads.

No Motorway Junction
Please, will encourage
more housebuilding

The main road through Cam needs to be upgraded before any more new development.

Desperately need new motorway junction for all the extra housing planned at Cam + Wisbech.

Cas to A38
major problem

Another Motorway junction is needed to cater for all the extra housing and to stop all the traffic congestion on the A38. Existing road could not cope as already too busy! if a

motorway junction would increase the amount of local industry (and some jobs)

New Motorway Junction
Better train services

Should HGV vehicles be
restricted from freeways,
when the Littlecambie thru
road opens ??

CARS - SPECIALLY BIG S.U.V. ONES
FAR TOO MANY - CAN'T CROSS ROAD
SAFELY. AGGRESSIVE DRIVERS.
HEAVY LIGHTS TOO BRIGHT.
NOT ENOUGH FACILITIES TO COPE
WITH INFLOX OF PEOPLE.
~~THAT~~

We do not want
to lower built-
next to the railway
station as bus
the obvious site
for parking for Trams

? new motorway
junction

Cam is being destroyed.
The new housing is devastating
we need green space for
exercise and our mental
well being. I want to do
more just seeing the
horrendous devastating plans.

Any new development needs
the appropriate amount of
green space provided in.

We should
be doing more
to work on
social bonding,
which more of
the moment.
Examples, alcohol
at work etc.
nothing for the
better of the
i.e. more

Employment

Q1 What type of jobs/employment do you think we should encourage into the area?

more for younger people

Q2 What can be done to help all ages get better access to employment?

job centre

Q3 What do you think can be done to improve the local economy?

Get rid of ~~some of~~ the hairdressers
Charity shop Dorsley is full of them

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? If no, where do you think should be an alternative?

yes

Q5 Do you think that there should be better training opportunities locally and if there was, would you use them?

yes

Transport

Q1 New developments in Cam will have an impact of the local road network, what do you think could be done to make these safer for other road users?

NOT SURE

Q2 Do you worry about vehicle speeds?

yes

Q3 Would you welcome the concept of home zoning (a shared space for people instead of just motor traffic)?

yes

Q4 If bus services were more reliable, would you use them?

yes

Q5 Would you use the train if:

- a) Links were improved?
- b) Transport facilities were improved?

yes

Q6 What would encourage you to cycle more?

less traffic

Housing

Q1 Should we encourage more affordable housing/housing association homes to be built?

yes

Q2 Should we encourage more sustainable/Eco friendly homes to be built?

yes

Q3 Should we be promoting dedicated "retirement communities" with 1 or 2 beds to be built which would enable elderly homeowners to downsize to a suitable space?

yes

Q4 How do you think your housing needs will change in the next 20 years?

~~more~~ ~~housing~~ smaller property

Q5 Should we encourage building 1 or 2 bed houses and bungalows?

yes

Facilities & Services

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

NOT SURE

Q2 Would you benefit from a faster broadband service?

NO

Q3 Are you content relying on facilities in adjoining Dursley?

yes

Q4 What facilities do you currently use?

N/A

Recreation

Q1 Do you know of any sites of special interest that should be protected?

NO

Q2 Do you currently use any of these facilities?

yes

Q3 Do you think more recreational sites are needed in Cam and if so, what & where would be your suggestion?

not just in cam

Q4 How can we improve what we have?

NOT SURE

Q5 Do you know of any other areas in Cam that need to be included in the NDP?

NO

Any other comments:

Employment

Q1 What type of jobs/employment do you think we should we encourage into the area?

Q2 What can be done to help all ages get better access to employment?

more regular buses

Q3 What do you think can be done to improve the local economy?

promote local facilities and small businesses.

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? If no, where do you think should be an alternative?

Q5 Do you think that there should be better training opportunities locally and if there was, would you use them?

yes

Transport

Q1 New developments in Cam will have an impact of the local road network, what do you think could be done to make these safer for other road users?

traffic Calming measures around woodfields, Better road Surfaces!!!

Q2 Do you worry about vehicle speeds?

yes

Q3 Would you welcome the concept of home zoning (a shared space for people instead of just motor traffic)?

yes

Q4 If bus services were more reliable, would you use them?

yes, most definitely

Q5 Would you use the train if:

- a) Links were improved?
- b) Transport facilities were improved?

transport facilities need improving

Q6 What would encourage you to cycle more?

Safer, more scenic bike routes

Housing

Q1 Should we encourage more affordable housing/housing association homes to be built?

yes

Q2 Should we encourage more sustainable/Eco friendly homes to be built?

yes!

Q3 Should we be promoting dedicated "retirement communities" with 1 or 2 beds to be built which would enable elderly homeowners to downsize to a suitable space?

yes

Q4 How do you think your housing needs will change in the next 20 years?

I would look into moving into a bungalow as a carer for my partner who is disabled and under the usual age for council housing disabled housing.

Q5 Should we encourage building 1 or 2 bed houses and bungalows?

yes, I think that there needs to be more housing for young disabled people.

Facilities & Services

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

Q2 Would you benefit from a faster broadband service?

yes

Q3 Are you content relying on facilities in adjoining Dursley?

Q4 What facilities do you currently use?

Recreation

Q1 Do you know of any sites of special interest that should be protected?

yes

Q2 Do you currently use any of these facilities?

.....

.....

Q3 Do you think more recreational sites are needed in Cam and if so, what & where would be your suggestion?

.....

.....

Q4 How can we improve what we have?

.....

.....

Q5 Do you know of any other areas in Cam that need to be included in the NDP?

.....

.....

Any other comments:

Employment

Q1 What type of jobs/employment do you think we should encourage into the area?

Clothes shops or places that ~~the~~ kids
will know what to do at.

Q2 What can be done to help all ages get better access to employment?

Advertise? Make more age appropriate
jobs.

Q3 What do you think can be done to improve the local economy?

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? If no, where do you think should be an alternative?

I don't actually know where that
is but it's probably too far to go.

Q5 Do you think that there should be better training opportunities locally and if there was, would you use them?

I might use them but what would
we do? 

Transport

Q1 New developments in Cam will have an impact of the local road network, what do you think could be done to make these safer for other road users?

I don't know, I don't drive.

Q2 Do you worry about vehicle speeds?

Not really - I don't drive.

Q3 Would you welcome the concept of home zoning (a shared space for people instead of just motor traffic)?

??

Q4 If bus services were more reliable, would you use them?

No because I can walk everywhere I go?

Q5 Would you use the train if:

- a) Links were improved?
- b) Transport facilities were improved?

Q6 What would encourage you to cycle more?

Rewards?

Housing

Q1 Should we encourage more affordable housing/housing association homes to be built?

Yeah.

Q2 Should we encourage more sustainable/Eco friendly homes to be built?

aren't they just more expensive?

Q3 Should we be promoting dedicated "retirement communities" with 1 or 2 beds to be built which would enable elderly homeowners to downsize to a suitable space?

Yes

Q4 How do you think your housing needs will change in the next 20 years?

Yeah, I'm ~~14~~ 14 so I have to move out in the next 20 years

Q5 Should we encourage building 1 or 2 bed houses and bungalows?

Yep

Facilities & Services

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

Walk in wardrobes and swimming pools

Q2 Would you benefit from a faster broadband service?

Yeah I spend all day on my phone

Q3 Are you content relying on facilities in adjoining Dursley?

?

Q4 What facilities do you currently use?

?

Recreation

Q1 Do you know of any sites of special interest that should be protected?

Q2 Do you currently use any of these facilities?

Q3 Do you think more recreational sites are needed in Cam and if so, what & where would be your suggestion?

Places for teenagers (inside)

Q4 How can we improve what we have?

making them cleaner & safer.

Q5 Do you know of any other areas in Cam that need to be included in the NDP?

Any other comments:

Can we get a cinema?

Starbucks?

more clothes shops that are good?
(primark).

ed space for people instead of just

des the

upcoming

routes

asing association homes to be built?

Employment

Q1 What type of jobs/employment do you think we should encourage into the area?

Computer related businesses

Production companies

Q2 What can be done to help all ages get better access to employment?

more access to colleges, more accessible transport
to get to Slough and Milton

Q3 What do you think can be done to improve the local economy?

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? if no, where do you think should be an alternative?

There is a business park here, so I assume this is
being extended which is fine

Q5 Do you think that there should be better training opportunities locally and if there was, would you use them?

that would be good for young and elderly especially
if it was in the field of IT and languages as well as in
fields of retail

Transport

Q1 New developments in Cam will have an impact of the local road network, what do you think could be done to make these safer for other road users?

better off-road parking is a must as well as road
maintenance more regularly

Q2 Do you worry about vehicle speeds?

yes

Q3 Would you welcome the concept of home zoning (a shared space for people instead of just motor traffic)?

Q4 If bus services were more reliable, would you use them?

yes

Q5 Would you use the train if:

- a) Links were improved?
- b) Transport facilities were improved?

Yes, although I think it's a pretty good service and another essential asset to Cam.

Q6 What would encourage you to cycle more?

Nothing

Housing

Q1 Should we encourage more affordable housing/housing association homes to be built?

yes

Q2 Should we encourage more sustainable/Eco friendly homes to be built?

Yes as long as its affordable for all to benefit

Q3 Should we be promoting dedicated "retirement communities" with 1 or 2 beds to be built which would enable elderly homeowners to downsize to a suitable space?

Not sure -

Q4 How do you think your housing needs will change in the next 20 years?

We will need much more affordable homes and the infrastructure to go with it. I fear Cam will be priced out of the market for local

Q5 Should we encourage building 1 or 2 bed houses and bungalows?

Yes definitely

Facilities & Services

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

Clubs stores, not large ones though. Better and more frequent bus services for people who can't or don't drive

Q2 Would you benefit from a faster broadband service?

Absolutely, it is so slow here in Cam

Q3 Are you content relying on facilities in adjoining Dursley?

I am but would prefer to add to Cam's economy

Q4 What facilities do you currently use?

Supermarket, Post office (an absolute essential here), restaurant, doctors, chemist, garage, Al Appliances

Recreation

Q1 Do you know of any sites of special interest that should be protected?

Cam Park, Everards athletics track and football field, walkways

Q2 Do you currently use any of these facilities?

Yes

Q3 Do you think more recreational sites are needed in Cam and if so, what & where would be your suggestion?

Would love there to be a traffic free area where people can gather for rest and relaxation or for having a meal.

Q4 How can we improve what we have?

Whilst there is a need for more opportunities for business that will keep the young there, we must not overcrowd what is essentially a village.

Q5 Do you know of any other areas in Cam that need to be included in the NDP?

Any other comments:

Employment

Q1 What type of jobs/employment do you think we should encourage into the area?

ENGINEERING, IT, BUILDING, NURSING, POLICE.

Q2 What can be done to help all ages get better access to employment?

OPEN THE JOB CENTRE AGAIN, COMBAT
ACCESS TO JOB SITES.

Q3 What do you think can be done to improve the local economy?

MORE PUBS, CYCLEWAYS, CASUAL ACCESS
TO IMPROVE TOURISM, Dog Friendly places.

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? If no, where do you think should be an alternative?

OK

Q5 Do you think that there should be better training opportunities locally and if there was, would you use them?

YES, EVENING CLASS COLLEGE.

Transport

Q1 New developments in Cam will have an impact of the local road network, what do you think could be done to make these safer for other road users?

SPEED BUMPS + CAMERAS UPKAP OF POOR
ROAD SURFACES.

Q2 Do you worry about vehicle speeds?

YES.

Q3 Would you welcome the concept of home zoning (a shared space for people instead of just motor traffic)?

YES.

Q4 If bus services were more reliable, would you use them?

WHEN I AM OLDER, AND I CAN'T DRIVE ANYMORE.

Q5 Would you use the train if:

- a) Links were improved?
- b) Transport facilities were improved?

YES AS LONG AS THEY ARE RELIABLE.

Q6 What would encourage you to cycle more?

NO VEHICLE CYCLISTS

Housing

Q1 Should we encourage more affordable housing/housing association homes to be built?

YES. PEOPLE NEED SOMEWHERE TO LIVE.

Q2 Should we encourage more sustainable/Eco friendly homes to be built?

YES TO SAVE OUR RESOURCES.

Q3 Should we be promoting dedicated "retirement communities" with 1 or 2 beds to be built which would enable elderly homeowners to downsize to a suitable space?

NO. WE SHOULD EMBRACE OUR ELDERLY AS ANY COMMUNITY AND LOOK OUT FOR EACH OTHER.

Q4 How do you think your housing needs will change in the next 20 years?

NOT AT ALL. UNLESS I CAN'T LOOK AFTER MYSELF. MORE NURSING HOMES.

Q5 Should we encourage building 1 or 2 bed houses and bungalows?

2 Bed Bungalows

Facilities & Services

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

Large Health Centre. More Schools.

Q2 Would you benefit from a faster broadband service?

No WE HAVE IT ALREADY

Q3 Are you content relying on facilities in adjoining Dursley?

WHILE I HAVE TRANSPORT ITS OK BUT WILL BE TOO FAR TO WALK.

Q4 What facilities do you currently use?

DOCTOR, SHOPS, COUNCIL OFFICES, RECREATION
COMMUNITY CENTRE, FAST FOOD OUTLETS
DOOR BUSSES FOR POOR SCHOONERS.

Recreation

Q1 Do you know of any sites of special interest that should be protected?

No

Q2 Do you currently use any of these facilities?

.....

.....

Q3 Do you think more recreational sites are needed in Cam and if so, what & where would be your suggestion?

.....

.....

Q4 How can we improve what we have?

KEEP THINGS CLEAN AND LITTER FREE.

MORE POOL BAYS FOR DOG WALKERS

Q5 Do you know of any other areas in Cam that need to be included in the NDP?

THE GRANGE RETIREMENT CARE HOME OFFICE TO BE

UTILISED. IT IS AN EYE SONE.

Any other comments:

Employment

Q1 What type of jobs/employment do you think we should we encourage into the area?

?

Q2 What can be done to help all ages get better access to employment?

2

Q3 What do you think can be done to improve the local economy?

Very happy

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? If no, where do you think should be an alternative?

NOT IN MY AREA

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

Schools

Q2 Would you benefit from a faster broadband service?

Yes

Q3 Are you content relying on facilities in adjoining Dursley?

No

Q4 What facilities do you currently use?

Tesco, Sainsbury local post office

Recreation

Q1 Do you know of any sites of special interest that should be protected?

Tublee

Q2 Do you currently use any of these facilities?

Yes

Q3 Do you think more recreational sites are needed in Cam and if so, what & where would be your suggestion?

Love a new playground at Rec need at Jubilee

Q4 How can we improve what we have?

More swings

Q5 Do you know of any other areas in Cam that need to be included in the NDP?

Any other comments:

Dog fouling is a very large issue!

Employment

Q1 What type of jobs/employment do you think we should encourage into the area?

everything

Q2 What can be done to help all ages get better access to employment?

Job centre

Q3 What do you think can be done to improve the local economy?

get rid of all the charity shops
and food places eg cafes ect

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? If no, where do you think should be an alternative?

yes

Q5 Do you think that there should be better training opportunities locally and if there was, would you use them?

yes and yes

Transport

Q1 New developments in Cam will have an impact of the local road network, what do you think could be done to make these safer for other road users?

not sure

Q2 Do you worry about vehicle speeds?

yes

Q3 Would you welcome the concept of home zoning (a shared space for people instead of just motor traffic)?

yes

Q4 If bus services were more reliable, would you use them?

yes

Q5 Would you use the train if:

- a) Links were improved?
- b) Transport facilities were improved?

yes

Q6 What would encourage you to cycle more?

if there was more footpaths to ride on

Housing

Q1 Should we encourage more affordable housing/housing association homes to be built?

yes!

Q2 Should we encourage more sustainable/Eco friendly homes to be built?

yes

Q3 Should we be promoting dedicated "retirement communities" with 1 or 2 beds to be built which would enable elderly homeowners to downsize to a suitable space?

yes

Q4 How do you think your housing needs will change in the next 20 years?

~~More~~ Smaller property

Q5 Should we encourage building 1 or 2 bed houses and bungalows?

Yes Definitely

Facilities & Services

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

need to be council and not housing association because its to high

Q2 Would you benefit from a faster broadband service?

Yes

Q3 Are you content relying on facilities in adjoining Dursley?

Yes

Q4 What facilities do you currently use?

N/A

Recreation

Q1 Do you know of any sites of special interest that should be protected?

No

Q2 Do you currently use any of these facilities?

no

Q3 Do you think more recreational sites are needed in Cam and if so, what & where would be your suggestion?

yes parks studios

Q4 How can we improve what we have?

~~more~~ ~~places~~ open more places

Q5 Do you know of any other areas in Cam that need to be included in the NDP?

no

Any other comments:

Employment

Q1 What type of jobs/employment do you think we should encourage into the area?

SMALL INDUSTRY / BUSINESS

STARTER BUSINESS

Q2 What can be done to help all ages get better access to employment?

BUSINESS TO WORK WITH SCHOOLS TO

MAKE SURE RIGHT SKILLS ARE AVAILABLE

Q3 What do you think can be done to improve the local economy?

ENCOURAGE ^{NEW EXISTING} BUSINESS TO GROW

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? If no, where do you think should be an alternative?

YES AS CLOSE TO RAILWAY, A38 AND AWAY

FROM MAIN RESIDENTIAL MURS

Q5 Do you think that there should be better training opportunities locally and if there was, would you use them?

YES I DO, BUT NOT PERSONALLY

Transport

Q1 New developments in Cam will have an impact of the local road network, what do you think could be done to make these safer for other road users?

IMPROVE BUS / CYCLE ROUTES. AS A REGULAR USER

OF STATION I WOULD LIKE TO CYCLE BUT DON'T FEEL SAFE

Q2 Do you worry about vehicle speeds?

N.O., I THINK THE ROAD SPEED LIMITS ARE FINE

Q3 Would you welcome the concept of home zoning (a shared space for people instead of just motor traffic)?

IT MAY BE WORTH TRYING BUT ~~IF~~ WHERE IN CAM?
CHAPEL STREET? NOT THE HIGH STREET.

Q4 If bus services were more reliable, would you use them?

YES.

Q5 Would you use the train if:

- a) Links were improved?
- b) Transport facilities were improved?

I DO USE THE TRAIN COMMUTE TO
BRISTOL 2-3 TIMES A WEEK

Q6 What would encourage you to cycle more?

SAFER ROUTES ~~AND~~ FROM CAM TO STATION

Housing

Q1 Should we encourage more affordable housing/housing association homes to be built?

YES

Q2 Should we encourage more sustainable/Eco friendly homes to be built?

YES

Q3 Should we be promoting dedicated "retirement communities" with 1 or 2 beds to be built which would enable elderly homeowners to downsize to a suitable space?

AS I LIVE NEXT TO ~~THE~~ ONE IN THE LOFT I THINK
THEY ARE A GOOD THING AS LONG AS THEY ARE
MIXED WITH OTHER TYPES OF HOUSING. WE 'LOOK OUT'
FOR THE LADIES ON THEIR OWN ACROSS THE ROAD AND THEY
KEEP AN EYE ON OUR PLACE IN RETURN WHEN WE ARE
AWAY.

Q4 How do you think your housing needs will change in the next 20 years?

WE WILL NEED TO EXPAND AS KIDS GROW

Q5 Should we encourage building 1 or 2 bed houses and bungalows?

YES

Facilities & Services

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

IMPROVED STREET SCAPES MAKE CAM ATTRACTIVE
AND A GO TO PLACE TO LIVE AND ENJOY

Q2 Would you benefit from a faster broadband service?

NO.

Q3 Are you content relying on facilities in adjoining Dursley?

YES THOUGH A DECENT LOCAL BAKERY WOULD
BE GOOD!

Q4 What facilities do you currently use?

SHOPS, SURGERY, RECREATION GROUNDS,
OPEN SPACE FOR DOG WALKING

Recreation

Q1 Do you know of any sites of special interest that should be protected?

CAM PEAK +
LONG DOWN.

~~THE~~ HIGH STREET + CHAPEL STREET GREAT SELECTION
OF HISTORIC HOUSING SLOWLY BEING RUINED/REMOVED BY
DEVELOPMENT. SO MUCH SO THEY ~~AREN'T~~ ~~AREN'T~~ SUITABLE AS
A CONSERVATION AREA.

MOVE THIS BIT TO END OTHER COMMENTS

Q2 Do you currently use any of these facilities?

REGULARLY WATCH DOG AT CAM PEAK GREAT TO
GET AWAY AND THINK ABOUT STUFF

Q3 Do you think more recreational sites are needed in Cam and if so, what & where
would be your suggestion?

A PLAYGROUND AT THE HIGH STREET END
LITTLECOMBE IS GREAT BUT A BIT OF A WALK

Q4 How can we improve what we have?

KEEP DOING WHAT YOU ARE DOING

Q5 Do you know of any other areas in Cam that need to be included in the NDP?

CAN'T THINK OF ANY

Any other comments:

Employment

Q1 What type of jobs/employment do you think we should encourage into the area?

Any

Q2 What can be done to help all ages get better access to employment?

End discrimination irrespective of Relationship
Status

Q3 What do you think can be done to improve the local economy?

Don't know

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? If no, where do you think should be an alternative?

Yes

Q5 Do you think that there should be better training opportunities locally and if there was, would you use them?

Yes

No

Transport

Q1 New developments in Cam will have an impact of the local road network, what do you think could be done to make these safer for other road users?

Speed restriction

Q2 Do you worry about vehicle speeds?

Yes

Q3 Would you welcome the concept of home zoning (a shared space for people instead of just motor traffic)?

Don't know

Q4 If bus services were more reliable, would you use them?

No

Q5 Would you use the train if:

- a) Links were improved?
- b) Transport facilities were improved?

Yes

Q6 What would encourage you to cycle more?

If car park charging was introduced
to Cen Rail station

Housing

Q1 Should we encourage more affordable housing/housing association homes to be built?

No

Q2 Should we encourage more sustainable/Eco friendly homes to be built?

Yes

Q3 Should we be promoting dedicated "retirement communities" with 1 or 2 beds to be built which would enable elderly homeowners to downsize to a suitable space?

Yes + End the bedroom tax

Q4 How do you think your housing needs will change in the next 20 years?

Don't know

Q5 Should we encourage building 1 or 2 bed houses and bungalows?

We should encourage an end to Relationship status discrimination. We should ensure those who want a partner get their wish!

Facilities & Services

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

None

Q2 Would you benefit from a faster broadband service?

Yes

Q3 Are you content relying on facilities in adjoining Dursley?

Yes

Q4 What facilities do you currently use?

Pib

Recreation

Q1 Do you know of any sites of special interest that should be protected?

No

Q2 Do you currently use any of these facilities?

No

Q3 Do you think more recreational sites are needed in Cam and if so, what & where would be your suggestion?

No

Q4 How can we improve what we have?

Ensure No Relationship discrimination
is applied to commercial / public + individual
parties

Q5 Do you know of any other areas in Cam that need to be included in the NDP?

No

Any other comments:

The big problem faced daily is Relationship
status discrimination.

MCA / Bedroom Tax + Council Tax
all discriminate against Unmarried

Walk any where in Gloucestershire alone
go into a restaurant asking for a table for
one and you face discrimination.

Employment

Q1 What type of jobs/employment do you think we should encourage into the area?

ENGINEERING & LIGHT INDUSTRIAL
OFFERING FULL TIME EMPLOYMENT

Q2 What can be done to help all ages get better access to employment?

BETTER ROAD & RAIL LINKS

Q3 What do you think can be done to improve the local economy?

ENCOURAGE RETAIL OUTLETS
ON OR NEAR NOEL LEE AREA

Q4 The new large employment allocation is designated for Draycott at present, do you consider this the best location? If no, where do you think should be an alternative?

YES

Q5 Do you think that there should be better training opportunities locally and if there was, would you use them?

I AM TOO OLD

Transport

Q1 New developments in Cam will have an impact of the local road network, what do you think could be done to make these safer for other road users?

ENSURE NETWORK IS WELL MAINTAINED
AND ENFORCE TRAFFIC LAWS

Q2 Do you worry about vehicle speeds?

MAINLY IN EVENINGS AND EARLY MORNING

Q3 Would you welcome the concept of home zoning (a shared space for people instead of just motor traffic)?

DEPENDS ON PARKING AND LOCATION

Q4 If bus services were more reliable, would you use them?

POSSIBLY BUT COST OF MOTORING

WOULD HAVE TO INCREASE AND BUS SERVICE
RUNNING AT HATER + BETTER TIMES

Q5 Would you use the train if:

- a) Links were improved?
- b) Transport facilities were improved?

POSSIBLY DEPENDANT ON COSTS

AND TIMES

Q6 What would encourage you to cycle more?

LESS LINKS

Housing

Q1 Should we encourage more affordable housing/housing association homes to be built?

YES IN SMALL DEVELOPMENTS

Q2 Should we encourage more sustainable/Eco friendly homes to be built?

DEPENDS ON COSTS

Q3 Should we be promoting dedicated "retirement communities" with 1 or 2 beds to be built which would enable elderly homeowners to downsize to a suitable space?

IDEALLY YES SMALL DEVELOPMENTS

Q4 How do you think your housing needs will change in the next 20 years?

DEPENDS ON HEALTH & FAMILY FOR DOWNSIZING

Q5 Should we encourage building 1 or 2 bed houses and bungalows?

SMALL DEVELOPMENT

Facilities & Services

Q1 When additional housing is built in Cam, what additional/enhanced services would you like to see?

DOCTORS SURGERIES, SCHOOLS, RETAIL DEV & EMPLOYMENT
ALSO SENIORS & ROAD STRUCTURE

Q2 Would you benefit from a faster broadband service?

NO

Q3 Are you content relying on facilities in adjoining Dursley?

WHILE EASILY ACCESSIBLE

Q4 What facilities do you currently use?

GLOUCESTER & BRISTOL SHOPPING
DURSLEY LIBRARY, POOL, PARKING & JUBILEE PLAY FIELD

Recreation
