Everlands Sports Ground

We are absolutely thrilled to have completed the sale transfer of Everlands Cricket Club on Friday 13th June 2025. A huge achievement for all involved and a massive win for Cam.

Attention now turns to the Fields in Trust application and protecting it as a green space.

New website

The new website is now live! Please take some time to look around it and provide any feedback on content and design.

Staff have completed training and are familiarising themselves with the new set up.

Cam Green play piece

The large wooden play piece at Cam Green was flagged as red on the latest safe inspection. Cllrs Gough, Fulcher and Clifton met on site with the Clerk, Deputy and handyman to access the piece and concluded that it must be removed on safety grounds.

Deputy is carrying out a public consultation to gather information on a replacement piece. Results and actions will be fed back through R&L

Telephone Kiosk

A kiosk at Cam Green was flattened by a young driver and an insurance claim submitted. Our insurers were unable to reclaim the costs from the driver's insurance so set a court date. Thankfully, this has now been settled out of court and is finally concluded.

Heritage Assets working party

Heritage Assets working party have 1 more session to finalise the nomination forms before review through P&H.

Deputy is drawing up a funding application for a heritage assets trail, a guided walk through the parish highlighting the assets with a summary of what each one is.

Bus shelters

P&H have selected 2 artists to work on the inside of 2 bus shelters as the first phase of this project – Nicola Preston Art will be working on a design for the Jubilee Bus Stop and Stephanie Cole Designs will be drawing up a design for the bus shelter on Cam Pitch with a heritage mills theme. Draft designs will go back to P&H committee for approval.

Christmas opening times

Early I know, but FPGP have approved that the office is closed for 2 weeks over Christmas. We will advertise the opening hours nearer the time.
