

Meeting	Full Council
Date	Wednesday 4 March 2026
Report Title	25.130 Clerk and Chairs report
Author:	Lucy, Clerk

It's been busy in the office since the New Year, with lots of new projects starting, as well as continuing work on the current ones.

Taits Hill

Stinchcombe Parish Council have asked us to support them with the appeal hearing for Taits Hill. We are meeting again next week to help them prepare to attend the hearings.

Speculative application for 120 at School Close

A developer has launched a public consultation for 120 homes off School Close ne Woodfields School. At this stage, no planning application has been submitted and the Parish Council has not considered any formal proposals. Should an application be made, it will be reviewed at a public meeting and a formal response submitted to Stroud District Council.

Cams Strategic development plans

We continue to promote the ideas of the new village centre with key stakeholders. We have meetings coming up with Bathurst, SDC for a possible studio/ gym expansion, SDC Strategic CIL, the chosen developer for the Doctor surgery, and others. We will keep Council updated as we near any key milestone.

Draycott telephone Kiosk

This has been taken away for a make over before being returned to its new home outside the Office.

Heritage assets

The final list has been sent to SDC planners, but they have not confirmed if they have been accepted.

Summer program of events

There are lots of events planned over Easter and the Summer. Any Councillors who can volunteer to attend and support would be most appreciated.

Urban drainage

A short list of areas proposed by R&L have been submitted to Glos Wildlife Trust for consideration. Clerk will do a site visit on 5th May.

Tree survey

Will be carried out throughout the Parish on 5/6th March

River monitoring

Was carried out by Glos Wildlife Trust on 3rd March at Rackleaze

Traffic lights at Draycott

Severn Trent will be carrying out investigative works along Draycott for 12 weeks. They will return at the end of the year to upgrade the sewer system
