

CAM COUNCIL

Meeting:	Full Council
Date:	Wednesday 1 st July 2026
Report Title:	FC.26.043 – District councillor Report
Author:	Cllr Kinnison

Not too much to report since last month. Terri and Ian were both away for much of it although still working on occasion! We are all engaged in some quite complicated and long running casework.

Festival : Earlybird tickets have now sold out! But we need to see lots more please publicise and any ideas for sales welcome, See Cam Peak Fest on FB and Instagram. Terri has been working to prepare the Community Flags project with local schools and community groups. If you know of a group, young or old, that would like to decorate a flag over the summer let us know.

Terri has been appointed as substitute member of the Gloucestershire Police and Crime Panel and has moved from Environment to Community Services and Licensing Committee. Milly has joined Environment and will replace Terri on the local Drainage Board.
